

Guy's & St Thomas' Charity &...

Every year, Guy's & St Thomas' provides expert care to thousands of patients and families.

Here's how your donation could help...

£15

could help fund smart lockers so patients can collect their medication quickly, safely and without the wait.

£30

could help fund life-saving technology that helps prioritising the sickest patients, and ensures they're treated first.

£50

could help fund a technology specialist to develop innovative solutions that automate routine processes.

Care never stands still. And neither do we.
